### **Principal's message/Topic of the week:**

Hi! Students,

If you have noticed, I have not been at school lately. I have been working from home because I was a close contact to someone who had Covid. I miss being at MMS, but I know you're in good hands with everyone at MMS. I've been working closely with them and checking up on you all.

Please know that it is such an honor to be your principal. I hope each one of you will enjoy your break. Stay safe and stay well. I can't wait to see you in 2021!

With love,  
Mrs. Clark

Being new to the district and school, I have been impressed with how the students and staff are like family to each other. We are truly better together. As we approach Christmas break, take time for yourself and your family. Be safe, make sure you're following directions, be respectful to yourself and others, and be kind. Have a great Christmas break!
